

## Question and Answers to DTFR53-02-R-00011

1. The offerer shall use as many subparagraphs, as appropriately titled, as needed to clearly outline it's understanding and general approach to each tasking area.....

Are the tasking areas being referred to the 12 in Section 1.0 or the three discussed at the beginning of Section 4.0 which are Human Factors, Program Evaluation and Performance Based Standards or is it referring to Section 6.0 Subparagraphs 6.1.1, 6.1.2, 6.1.3 and 6.1.4.

Answer: Respond to all areas of Section C except 6.1.1 through 6.1.4

2. Section 5.0 the Program Manager is required to have at least three years experience managing a complex research and evaluation program of at least \$500,000 with multiple concurrent projects. Can this experience be a combination of program management work performed as both a federal employee and private sector employee? In other words experience gained that meets the criteria but is not completely as a contract employee in the private sector.

Answer: The minimum qualifications for Program Manager are outlined in Section C of the Solicitation, Table 1. Any qualifications gained throughout the proposed personnel; history is accepted.
